It's 2020

Madam Supreme wants all of us to be engaged in **Social Action**, especially during this important year.

Chapter Basileus is critical to making this happen – set the tone, make Connection a chapter priority, be a motivator and supporter. Inspire all chapter members to be engaged

Chapter Connection Chairman/Committee – keep chapter informed, plan activities

Playing Your Part

Chapter Members – be made aware of the issues, become knowledgeable about how to make an impact and mobilize for action

Awareness. Knowledge Action!

Helpful Resources

Resource Guide – The starting point, everything you need to know, including tools, calendars, important dos and don'ts. Basileus, committee chair and committee members should have a copy

AKA Legislative Agenda – Establishes our priorities at the national, state and local levels with some flexibility at the local level. Found in the Resource Guide and was also sent in a separate mailing

AKAs L.E.A.D.

- **AKAs L.E.A.D. - Learn. Empower. Advocate. Decide. – Voter Engagement Campaign** – major initiative through November to impact the 2020 election, want to be able to say we made the difference. Guidelines and suggested activities are found in the Resource Guide. Use the yard signs.

2020 Census

2020 Census – understand the impact of the Census on government funding and election redistricting; collaborate with State or local 2020 Census Count Committee and other community organizations to ensure an accurate count; distribute Census materials during chapter meetings and community service projects (adults and children)

Local Involvement

- **AKA Day at the State Capitol** – report to the chapter the results of the 2019 Day at the Capitol, did you make a difference, was there follow-up engagement; begin planning for 2020
- **Local Collaboration and Engagement** – attend school board meetings and meetings of local councils, commissions, boards (legislatures); be ready to address issues related to our agenda through letter writing, telephone calls, testifying at hearings
